

OCCC Exhibitor Services

The Orange County Convention Center (OCCC) and its Exhibitor Services Team strive to make each step of the exhibitor experience a positive one. Here are just a few of the ways we are trying to make your exhibit at the OCCC a success:

- The Exhibitor Services Division has set up 3 convenient ways to place an order:
 - On-line Ordering (www.occc.net)
 - Telephone Orders (1-800-345-9898)
 - Fax/Email/Mail Order Forms
- One Stop Shopping - We represent all exclusive services provided by the OCCC and our service partners, as well as all of the services provided by our preferred service partners.
- We are available to meet with exhibitors for pre-planning meetings.
- We make courtesy calls and send emails reminding all exhibitors of incentive deadlines. These incentives can save approximately 40% on all orders.
- We review orders with exhibitors to ensure they are getting the most cost effective service for their booth.
- We staff a service desk for posted move-in and show hours.
- We deliver a Services Statement to booths before the close of the show detailing all charges.

Come find out why we are “The Center of Hospitality”!
